THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college. The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a – “flagship” that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The term “student athlete” has authenticity at Wofford. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The “proof of the pudding” is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service – even in the ministry of the Church. A bond is created in the experience of the arts – the theater program, choral music, strings. One thing we lack – a band – not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of Wofford Spirit in all aspects of this place like no other. We want to add to the tradition of this sacred ground. We want to remind the present Wofford that there is a past on which she stands and remind all of us that it all will be forgotten if we do not have a vision for the future. Our goal should be deeper than the usual quest for reputation, wealth, and prestige. Dr. Dunlap has always called Wofford a “kingdom of the just.” May that ever be our watchword. It may be a simple, unsophisticated phrase, but we are called not to be powerful, but good. As the prophet Micah said, “What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God.”

The Class of 1956 proudly and humbly presents this physical representation of the Spirit of Wofford College and all those members of our family who ever lived or presently live on the “City’s Northern Border,” and all who are yet to dwell in the shadow of the Twin Towers.

Wofford College Mission Statement

Wofford's mission is to provide superior liberal arts education that prepares its students for extraordinary and positive contributions to society. The focus of Wofford's mission is upon fostering commitment to excellence in character, performance, leadership, service to others and life-long learning.

NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at woffordterriers.com and click on 'Compliance,' or the NCAA at www.ncaa.org.

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or 'booster/donor' he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in

The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, construction on Wofford's Rosalind Sallenger Richardson Center for the Arts and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas began in 2016, with completion dates in 2017. In addition, the new Greek Village was completed in the spring of 2016.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Space in the Mungo Center, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

Computational Science, a fast-growing in-

terdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigors of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

JERRY RICHARDSON INDOOR STADIUM

Wofford announced on Nov. 17, 2014, its plans to build the Jerry Richardson Indoor Stadium to house a new basketball/volleyball arena, locker rooms and other facilities. The facility will be adjacent to the north end of Gibbs Stadium, where the Terriers play football. Construction on the facility began in the fall of 2015 with the opening date slated for September 2017.

Wofford alumnus and trustee Jerry Richardson '59 provided the gift to fund the 110,000-square-foot facility that will include a 3,400-seat basketball arena and a 500-seat volleyball competition venue.

The Jerry Richardson Indoor Stadium will serve as the home for women's basketball, men's basketball and volleyball and have a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. It will include home and visitor lockers for multiple sports, a state-of-the-art training room, coaches' offices and locker rooms and team meeting rooms. Other features include a video board and ribbon boards,

plus designated areas specifically designed for students, fans, children and donors. Four open-air suites also are planned.

ROSALIND SALLENGER RICHARDSON CENTER FOR THE ARTS

Wofford alumnus and Carolina Panthers founder and owner Jerry Richardson and his wife, Rosalind Richardson, helped turn the first shovels of dirt on May 12, 2015, to begin construction of the Rosalind Sallenger Richardson Center for the Arts at Wofford College. The facility opened to the public in May of 2017.

The 67,000-square-foot facility houses the college's theatre and visual arts programs and includes a 300-seat performance hall along with a museum and a student gallery. It features two custom-made glass sculptures by internationally renowned artist Dale Chihuly. The Center for the Arts features a material pallet of masonry, stucco and copper. Large areas of glass connects the interior to the outdoors, filling art studios with

natural light and creating transparency and openness between spaces and across an outdoor sculpture garden. Richardson, a 1959 Wofford graduate and member of the college's board of trustees, provided the gift for the center in honor of his wife's commitment and dedication to the arts.

GREEK VILLAGE

Greek life at Wofford College has a long and vibrant history, one steeped in tradition, philanthropy, fellowship, scholarship, leadership, and the ideals of brotherhood and sisterhood. Wofford's original fraternity houses were constructed in the mid-1950s and were filled with fond memories. They were replaced in the spring of 2016 with new, more serviceable spaces for North-American National Interfraternity Conference organizations and add options for National Panhellenic Conference and National Pan-Hellenic Council organizations. The Greek Village is located across Evins Street from the main portion of campus.

@WOFFORDTERRIERS

Wofford alumni live in all 50 states and in more than 35 foreign countries. They include six Rhodes Scholars, six Truman Scholars and two Barry M. Goldwater Scholars.

Of 16,707 living alumni, 3,218 are in senior management of corporations or organizations, 1,302 practice medicine, dentistry or other health care professions, and 827 are attorneys or judges.

@WOFFORDTERRIERS

Any tribute to the life and accomplishments of Jerry Richardson must include a strong emphasis on the word “teamwork.” Along every step of Richardson’s remarkable journey, he has relied on and been tremendously supported by a faithful group surrounding him, including family, coaches, teammates, business associates, and a close circle of personal friends for a lifetime. A large number of those connections are tied back to Wofford College, and for many years, Richardson has been quick to say that “without Wofford’s influence on my life, I would not have been able to accomplish what I have.”

Jerry Richardson was born in July 1936 in Spring Hope, N.C., as an only child to George Bertram Richardson and Mary Williams Richardson, but considers nearby Fayetteville as his hometown. He became a star athlete at Fayetteville High School, befriended six men who would be lifelong friends, and was coached and mentored by Bob Prevatte, a 1950 Wofford graduate, whose influence on young Richardson would be profound.

Upon graduating from Fayetteville High in 1954, Richardson accepted a \$250 scholarship to Wofford College to play football, where his tireless work ethic and physical talent quickly caught the attention of Terrier coaches and fans. The three-time All-South Carolina, and two-time All-American, still holds school records for career touchdown receptions with 21, season touchdown receptions with 9, and most receiving yards in a game with 241.

As a Wofford student-athlete, Richardson was selected to membership in Blue Key National Honor Fraternity and Scabbard and Blade, was a member of the Kappa Alpha fraternity and chaired the Interfraternity Council as well as being selected to Who’s Who in American Colleges and Universities. Richardson earned All-America honors and attracted enough attention from pro scouts to be drafted by the Baltimore Colts of the National Football League prior to his senior season at Wofford, at which time he was Terrier team captain. He moved successfully into the NFL, enjoying two seasons with the Colts. He caught a game clinching touchdown pass in the 1959 championship game in which the victorious

Colts became World Champions.

By that time, Richardson had married his college sweetheart, Rosalind Sallenger of Florence, SC, and they were beginning to start their family, which ultimately would comprise sons Jon and Mark, and daughter Ashley. He made the decision not to return to the Colts for the 1960 season, choosing instead to join forces and invest his NFL championship bonus check with his quarterback at Wofford, Charlie Bradshaw, who had signed an agreement to open in Spartanburg the first franchise of Hardee’s Food Systems. Their first Hardee’s franchise opened on Kennedy Street in Spartanburg in October 1961, and a new company they named Spartan Food Systems was born. Over time, Richardson and Bradshaw recruited into their company a significant number of Wofford friends, former teammates and coaches, building a legendary team driven to be highly successful.

Taking the company public in 1969, the team that Richardson and Bradshaw had formed was able to have their firm listed on the New York Stock Exchange before turning age 40, which had been an initial goal. The company grew into a Fortune 500 stalwart, with over 110,000 employees and interests in more than 2,500 restaurants and other holdings.

With their phenomenal success came opportunities to expand the company, so they acquired the Quincy’s steakhouse chain in 1977, before joining forces with TW Corporation, a spinoff from Trans World Airlines. Eventually, under Richardson’s leadership, this new company included Canteen Corporation and the Denny’s restaurant chain.

In 1993, a career-long dream on which Richardson had been actively working for seven years was realized when the investment team that he had put together was successful in earning the 29th franchise of

the NFL—the Carolina Panthers, to be headquartered in Charlotte. Richardson became the first former NFL player to become an owner since George Halas of the Chicago Bears. Vital to Richardson’s dream was for the franchise to be truly regionally supported, and central to that goal was to have the team’s summer preseason training camp to be located on the campus of his alma mater, Wofford.

His service to Wofford has been never-ending. A member of Wofford’s Board of Trustees for more than four decades, Richardson was granted trustee emeritus status in 2017. He has been a major benefactor to every significant financial campaign at the college since graduating in 1959, and he and his family have established the most prestigious scholarships offered by the college, known as the Richardson Family Scholarships.

The recognitions that Richardson has earned are numerous, but would include the Order of the Palmetto and the Order of the Long Leaf Pine, which are the two highest civic recognitions that the states of South Carolina and North Carolina, respectively, can bestow. He is also the only individual ever to be inducted into both the Business and Athletic Halls of Fame for these two states.

RICHARDSON BUILDING

THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department is the Richardson Physical Activities Building. The facility includes offices for the administration, football, basketball and other sports on the second floor. Also included on the second floor is an aerobic dance room and weight room with machine and free weights along with a variety of cardio machines. Locker rooms for football, men's and women's basketball, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus and Carolina Panthers owner Jerry Richardson made a \$1 million donation in 2008 that was used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

Enhancements to the Richardson Building include new paint and carpet in the entire facility. The coaching and administration suites were reconfigured to provide better reception areas. Football and men's basketball offices were outfitted with a new video system, including computers, editing software and large-screen monitors. This new system is similar to those being used by the NFL and NBA.

Inside the Harley Room, a new audio/video system was installed to handle the variety of events held in the room. New displays for academic honors, Southern Conference honors and the Hall of Fame are a part of the project. Additional murals and photos compliment the building and give it a fresh look.

In addition, the fitness facilities have been upgraded as well. Nearly \$100,000 worth of new equipment was added to supplement the current selection of treadmills and elliptical machines. The cardio area features six flat panel televisions for viewing while working out. The fitness area is used by the entire student body at Wofford.

THE JOE E. TAYLOR CENTER

Wofford alumnus and South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including men's and women's soccer, baseball, men's and women's golf, volleyball, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

ANGIE RIDGEWAY

HEAD COACH - 14TH SEASON APPALACHIAN STATE '87

Angie Ridgeway begins her 14th season as head women's golf coach in 2017-18. Ridgeway has guided the Terriers to unprecedented heights since arriving at Wofford in July 2004. The former LPGA player was originally tabbed as the associate director of golf before being named the women's head coach.

The Terriers have won eight tournaments in Ridgeway's era. It includes Wofford's first NCAA Division I tournament victory, the Wofford Invitational in October of 2004. Ridgeway has also coached the Terriers to 53 top-five tournament finishes, and a Terrier has taken the individual title at 12 tournaments since Ridgeway came to Spartanburg. Current assistant coach Erin Wells won the program's first individual championship, taking the 2007 Wofford Invitational.

In 2016-17, Ridgeway's team recorded five top 10 finishes. Wofford's highest finish, fifth came in the Terrier Intercollegiate (Oct. 10-11), and Wofford also finished sixth in the Low Country Intercollegiate (March 18-19), the other tournament the Terriers host. Wofford finished seventh in the Southern Conference tournament for the second season in a row.

Ridgeway's team added three top-five tournament finishes during the 2015-16 campaign. The first came at the challenging Loyola Whistling Straits Intercollegiate (Oct. 12-13), where Wofford finished second out of 11 teams. The tournament was hosted at Blackwolf Run Golf Course, home of the 1998 and 2012 U.S. Women's Open, and the Terriers battled wind gusts over 25 miles per hour to finish among the top of a competitive field. Nicole Chin finished runner-up individually and was one of just seven players in the field to break 80 during the final round. The following weekend, Wofford hosted the Terrier Intercollegiate (Oct. 19-20), placing third among another 11-team field.

The spring of 2016 was highlighted by a third-place finish at The Citadel's Bulldog Invitational. Maegan Higgins used an opening round even-par 72 on her way to a fourth-place showing individually at 5-over-par 149. Wofford also hosted an 18-team field at the eighth annual Low Country Intercollegiate, and made a final-round charge to finish right in the middle of the pack. The Terriers completed the year with a seventh-place finish at the Southern Conference Championship.

The 2014-15 season was a successful one. The Terriers claimed six top-five finishes, including second at both the Winthrop Fall Invitational (Nov. 1-2) and Low Country Intercollegiate (March 21-22). On the individual side, senior Lauren Dunbar took home medalist honors twice. Her first was highlighted by a 1-under 71 at the Cincinnati Bearcat Classic (Oct. 6-7), and her second came at the Winthrop Fall Invitational. Junior Emiley Pagrabs earned four individual top-five finishes, and freshman Lela Oakley earned Wofford's top finish at the Southern Conference Championship, placing sixth with a three-round total of 1-over-par 217.

Ridgeway added three top-fives to her coaching resume in 2013-14. Wofford began the year by finishing second at its home tournament, the Terrier Intercollegiate (Sept. 9-10), with freshman Katy Funk shooting an even-par 144 to earn runner-up honors in her first-ever collegiate tournament. The Terriers then finished top-five in their final two tournaments of the fall. Wofford earned third of 13 teams at the CSU Wendy's Invitational (Oct. 7-8), and concluded the fall fifth of 12 teams at the Jacksonville Courtyard Classic (Oct. 14-15).

The spring began with the first-ever Country Club of Spartanburg Spring Invitational (Feb. 24-25), which the Terriers hosted and took third place. Wofford then hosted its third tournament of the 2013-14 season, inviting 10 teams to Hilton Head, S.C., for the sixth Low Country Intercollegiate. The Terriers took fifth. Senior Anne Marie Covar earned a top-10 finish. The spring concluded at the Southern Conference Championship in Hilton Head, where Wofford finished sixth, junior Lauren Dubar was named All-Southern Conference, and freshman Katy Funk was named to the league's all-freshman team.

In 2012-13, Ridgeway took Wofford to never-before-seen heights. The incredible year began with four top-fives in all four of Wofford's fall tournaments, including a team title at the South Carolina State University Bulldog Invitational. Wofford shot a three-round team total of 884, shattering the program's low 54-hole record of 921, which was set in October of 1999. The Terriers also set a new low 18 record of 285, and posted the second-best low 36 in program history of 588. Individually, Anne Marie Covar won the tournament with a three-round total of 2-under-par 214, setting the program's new low 54 and posting the second-best tournament score in relation to par. Two weeks later, Ridgeway's Terriers posted the program's second-best 54-hole total of 905, taking second place at the CSU Wendy's Invitational.

The 2012-13 season had more in store. The spring season witnessed the Terriers earn three more top fives, including fourth place of 28 teams at the C&F Bank Intercollegiate, fourth of 16 in the Terrier-hosted Low Country Intercollegiate, and third of 12 teams at the Mimosa Hills Intercollegiate.

In 2011-12, the Terriers earned two victories, first defeating Radford in a head-to-head match to close out the fall season. Lauren Dunbar led the way for Wofford, shooting an ever-par 72 to earn medalist honors. The Terriers picked right back up where the left off to start the spring season, hosting the Wofford Tri-Match and defeating Appalachian State and Gardner-Webb. Again, a Terrier took medalist honors as Alex Hendricks shot a 3-over-par 75 to lead the field. The 2011-12 season was also highlighted by a second-place finish at the Terrier Intercollegiate, third place at the Mimosa Hills Intercollegiate and fifth at the CSU Wendy's Invitational.

In 2010-11, Alex Rankin joined Erin Wells as the only Terriers in program history to be selected All-Southern Conference. Rankin finished the year ranked No. 10 in the conference with a 76.59 stroke average and highlighted her season with an individual championship at the Boscobel Intercollegiate, shooting a final-round 3-under-par 69 to finish the tournament 1 under par. Rankin's round of 69 remains the second-lowest 18-hole score in program history. She also took seventh place at the SoCon Championships.

The 2010-11 season also saw many other feats. Then-freshman Anne Marie Covar earned her first collegiate individual championship at the Winthrop Fall Intercollegiate, tying Rankin's season-low round of 69 on the final day. Covar went on to be named SoCon Freshman of the Year, becoming the first Terrier to earn the honors. Wofford took second place at the tournament, and earned a team championship the following week with the help of Rankin at the Boscobel Intercollegiate. Two more top fives were part of the season, including a third place finish at the Tribe Invite and another bronze showing at the Wofford-hosted Low Country Intercollegiate.

The 2009-10 season saw both Alex Rankin and Sarah Hurt earn SoCon Player

of the Week honors. Rankin did so the week of March 17 after tying for third place at the Low Country Intercollegiate. Hurt earned the year's final player of the week award following her victory at the Mimosa Hills Women's Intercollegiate, which included a final-round 3-under-par 69 to win the 78-player tournament by four strokes. As a team, the Terriers took fifth place.

Wofford earned one tournament championship on the 2009-10 campaign, finishing atop the seven-team field at the Boscobel Intercollegiate. The Terriers fired back-to-back rounds of 16-over-par 304 to win the team title by 19 strokes over Gardner-Webb. The 36-hole total of 608 remains the ninth-best in program history.

The 2008-09 season saw then-freshman Sarah Hurt come on the scene and earn SoCon All-Freshman honors. Hurt began her collegiate career with a runner-up finish in her very first tournament, shooting rounds of

2-under 70 and 3-under 69 at the Great Smokies Intercollegiate. Hurt's 5-under-par tournament set the Wofford program record for score in relation to par, which still stands to this day. Hurt earned two more top 10s that year and tied for 36th place at the SoCon Championship.

As a team, the Terriers had a very successful year which included four top five finishes, highlighted by a second-place showing at the Wofford Diet Coke Invitational. Ridgeway also led the Terriers to third at the Colonial Intercollegiate, fourth at the Lady Jaguar Invitational and fourth at the Roar-EE Invitational.

The 2007-08 season saw freshman Alex Rankin join Erin Wells as just the second Terrier to be tabbed SoCon Player of the Week. Rankin picked up the accolade the week of March 19 after winning the Gainesville Shootout, and picked up the award a second time the week of April 16 after taking fourth place at the Roar-EE Women's Invite. She is the only Terrier in program history to earn SoCon Player of the Week twice in a season.

Ridgeway led Wofford to its first three team tournament championships in program history, while Erin Wells became the program's first-ever All-Southern Conference honoree in 2006-07. Wells was the first player Ridgeway recruited after taking charge of the program. The Louisville, Ky., native also became the first Terrier to win an individual tournament title with her medalist honors at the Diet Coke Wofford Intercollegiate in March 2007. Ridgeway coached two Southern Conference Golfers of the Week, Sarah Hurt and Alex Rankin, and had one Southern Conference All-Freshman, Hurt, in 2006-07.

Erin Wells was the first player in program history to garner SoCon Player of the Week and SoCon Player of the Month honors.

In addition, Ridgeway coached the Terriers to a match play win against High Point during the fall of 2007 during the inaugural Paw Cup competition.

In her first campaign directing the women's squad, Ridgeway guided the Terriers to the first two tournament crowns in program history. Wofford captured the titles at its home tournament in the fall and at the Draper Valley Spring Invitational. A 12-year veteran of the LPGA Tour, she played in over 190 events and six U.S. Opens. Her most successful years came in 1992 and 1993 when she finished 62nd on the LPGA Tour money list with a scoring average of 73.1 and 72.9, respectively. Ridgeway's best scoring average came in 2000, while competing as a non-exempt player. Playing in 12 tournaments she averaged 72.3.

Ridgeway fired a 3-under par 285 at the 1997 Ping Welch's Championship to garner a fifth-place result, one of her six career top-10 finishes. She also had 10 top-15 showings while placing in the top-25 on 21 occasions. As a rookie, she shot a career-low 64 in the first round of the 1992 Segra Women's Championship. She carded 44 career rounds in the 60s.

In addition to playing on the regular tour, she also competed in over 260 charity and corporate pro-am events. Ridgeway is also a Class A member of the LPGA Teaching and Club Professional Division. In the fall of 2016, Ridgeway became TPI Level 1 Certified.

A native of Indiana and a long-time Spartanburg area resident, she graduated from Boiling Springs High School before embarking on a collegiate career at Appalachian State. She played for the Mountaineers from 1983-87 and earned a bachelor's degree in business. She served as the Mountaineers' team captain and earned medalist honors at two tournaments. In September of 2014, she was inducted into the Appalachian State Athletics Hall of Fame.

COACHING STAFF

**ERIN WELLS**

ASSISTANT COACH - SIXTH SEASON
WOFFORD '09

Erin Wells enters her sixth season as an assistant coach on the Wofford women's golf staff. She was a member of the Wofford women's golf team from 2005-09.

Last season, Wells helped coach Lauren Dunbar to an All-Southern Conference selection. Dunbar became just the third Terrier in history to earn the league's postseason honor, with Wells earning the first selection for a Terrier in 2007.

In her first year as assistant coach, Wells helped the women's golf program to seven top fives, highlighted by a team title at the South Carolina State University Bulldog Invitational. Wofford shot a three-round team total of 884, shattering the program's low 54-hole record of 921, which was set in October of 1999. The Terriers also set a new low 18 record of 285, and

posted the second-best low 36 in program history of 588.

As a player, Wells was a four-year letterwinner for the Terriers with 11 top ten finishes and a 79.12 stroke average. She played 37 tournaments and 87 rounds, with her best finish coming as the individual champion of the Diet Coke Wofford Invitational during the 2006-07 season. That season she earned All-Southern Conference becoming the first Terrier women's golfer to receive all-conference honors. She was also named Southern Conference Player of the Week, and earned SoCon Golfer of the Month honors, becoming the first Terrier to earn either award.

Wells graduated from Wofford in 2009. She has gone on to receive her nursing degree from Spartanburg Community College. A Louisville, Ky., native, she currently resides in Spartanburg.

Prior to his return to Memphis in 2007, Medler was the head

strength and conditioning coordinator for Union Public Schools in Tulsa, Okla. As the first-ever Union system strength coach, Medler was in charge of building a training program for all freshmen, junior varsity and varsity athletic teams.

He began his professional career as strength and conditioning coach at Anderson University, a liberal arts NCAA Division III school in Indiana. While at Anderson, Medler was responsible for

training the football team and coaching the defensive line.

As a native of Berne, Indiana, Medler was a four-year football letterman at Hanover College, where he earned his bachelor's degree in sociology in 2002.

Medler is a Certified Strength and Conditioning Specialist (CSCS) through the National Strength & Conditioning Association, and is a certified level one club coach by USA Weightlifting. Medler resides in Spartanburg.

WORLD AMATEUR TEAM CHAMPIONSHIP

ROBINSON PLAYED IN THE WORLD AMATEUR TEAM CHAMPIONSHIP

RIO GRANDE, Puerto Rico -- Former Wofford women's golfer Laura Robinson '05 (Paget, Bermuda) represented her home country in the World Amateur Team Championship, Oct. 20-23, 2004, at the Rio Mar Country Club in Rio Grande, Puerto Rico.

The tournament took place at two courses at the country club. The Ocean course was slated for 6,076 yards, and the River course was set for 5,854 yards, both at par 72.

Each country which competed sent three participants for the 72-hole stroke play format. The lowest two scores per nation for the 51 women's teams counted towards the Espirito Santo Trophy.

"This is like a major championship for amateur golf and that's the way we plan to treat it," said Sidney Wolf, president of the Puerto Rico Golf Association, prior to the event.

In order to be eligible for the event, players must have been amateur golfers under the Rules of Amateur Status of either The Royal and Ancient Golf Club in St. Andrews, Scotland, or the U.S. Golf Association.

"It's a huge honor for her," said former Terrier associate director of golf and current head women's coach Angie Ridgeway. "To have a member of your own program in any type of world event is tremendous. We are all proud of her no matter what she accomplishes during the event. She certainly has the talent to play with anyone there."

Robinson was allowed to carry her Wofford golf bag during the World Amateur Team Championship.

WOFFORD FINISHED SEVENTH AT THE 2017 SoCon CHAMPIONSHIP HELD AT THE COUNTRY CLUB OF LEXINGTON.

GOLF FACILITIES

The Wofford men's and women's golf teams, beginning in the fall of 2006, utilize the newly renovated Golf Learning Center on campus. Thanks to generous gifts from many friends, families and alumni, the Terrier programs have a first-class indoor facility which is exclusively reserved for their use.

The center is located on the upper floor of Andrews Field House, the former varsity on-campus gymnasium. The venue contains 17 lockers, one for each of the men's and women's student-athletes, a hitting area, video capabilities for swing and technique study and storage capacities. With a clubhouse-type locker room setting, the Terriers can study their academic courses or review their golf game on a large HDTV. Two computer stations are also available with full email and internet access.

SPARTANBURG COUNTRY CLUB

@WOFFORDTERRIERS

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city. Much of that military reservation has become Croft

State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing companies formed the backbone of the Spartanburg economy. The most significant of these companies still

in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metropolis that extends along the South Carolina portion of the I-85 corridor.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

Emily Pagrabs '16 (above) was inducted into Phi Beta Kappa in spring of 2017.

The Southern Conference, which is in its 97th season of intercollegiate competition in 2017-18, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations were accepted and the withdrawing schools formed the new

league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNC Greensboro, Samford, Chattanooga, VMI, Western Carolina and Wofford.

CHAMPIONSHIP HISTORY

The first Southern Conference Championship held after the formation of the league was the basketball tournament in Atlanta in 1922. North Carolina won the tournament to become the first recognized league champion in any sport. The Southern Conference tournament remains the oldest of its kind in college basketball. The most recent SoCon addition, women's lacrosse, will crown its first champion in April of 2018.

The Southern Conference declares champions in 11 men's sports – football, soccer, cross country, basketball, indoor track

and field, outdoor track and field, wrestling, baseball, lacrosse, tennis and golf – and nine women's sports – soccer, volleyball, cross country, basketball, indoor track and field, outdoor track and field, tennis, golf and softball. Rifle is a mixed sport.

Wofford won the 2003, 2007, 2010 and 2012 SoCon Football Championships.

Wofford won the 2013 Men's Soccer Regular Season Championship.
